Department of Electrical Engineering, Example University

Dear Nadia Putri,

We are pleased to inform you that your manuscript entitled:

Adaptive Protection Coordination for Resilient Smart Distribution Networks

Nadia Putri, Ahmad Fauzan, Maria Lestari

has been **accepted for publication** in the **Journal of Applied Smart Electrical Network and Systems (JASENS)** after a comprehensive peer review process. Your paper will be scheduled for publication in Volume 7, No. 2 (September 2026).

JASENS is a peer-reviewed journal published by the Indonesia Society of Applied Science (ISAS) with the aim to provide a forum for academic researchers, industrial professionals, engineers, consultants, managers, educators, and practitioners to contribute and disseminate innovative new work on electrical engineering, smart electrical networks, and systems. **Please note:**

- The final version of your manuscript must strictly follow the JASENS template.
- Any required revisions must be addressed prior to publication.
- Proof of similarity check (plagiarism screening) and copyright agreement must be completed as part of the publication process.
- Should you have any questions or require further information, please do not hesitate to contact us at jasens@isas.or.id or through our online system.

We congratulate you on your achievement and look forward to your continued contribution to the advancement of applied electrical engineering.

Best regards,
Editor-in-Chief JASENS
